HODGE AGAIN EASY WINNER

KAY SPENCE'S GOOD THREE-YEAR-OLD SCORES IN LATONIA FEATURE RACE.

Profits by Fast Pace Set by His Older Brother, Little Father, and Responds with a Rush When Called Upon in Final Quarter.

Cincinnati, O., October 28.—Kay Spence's good three-year-old, Hodge, showed a return to his best form this afternoon when he won the mile allowance race that served as the feature of the Latonia card in fast time and handy style over Floral Park and his elder brother, Little Father. The suicidal tactics of the diminutive Smyth on Little Father made the fast time possible, but it also proved the undoing of the Darden racer for he tired badly in the stretch as a result of his exhaustive efforts in the first six furiongs. Hodge, on the other hand, was given a capable ride by F. Murphy and restrained for the first five furiongs. When called on, he responded with vim and after a short brush with Floral Park drew out decisively in the final furlong. Floral Park, acting badly at the post, was sent away while wheeling and still sideways, having a good bit the worst of the start. She showed a high flight of speed to race into a prominent position in the first ball, but the effort toid at the end.

Crisp, coid weather again prevailed and detracted some from the enjoyment of the sport. The racing was wholesome and the finishes in most instances close and exciting.

The well-balanced card and small fields served as excellent betting mediums and speculation was brisk. Four favorites succeeded in winning during the afternoon and the other winners also had extensive support. An instance of the best horse being beaten came with the running of the third race, when Ask Her succumbed to Transact by a nose. The Fuller filly was by far the best, but a badly tangled sendoff resulted in her defeat. Collins, who had the mount, was too light to assist her materially, when strong handling was essential. Transact was henefited by Gross' experience and just lasted to get the verdict. Gross made it a double when he scored with Mrs. J. Shilling's Belle of Bryn Mawr in the closing race, for which Injury was favorite, with Star Actress and Cream also enjoying a strong following.

BELMONT HORSES COMING FROM FRANCE.

Lexington, Ky., October 29.—August Belmont has consigned to the Kentucky Sales Company's December sale twenty-five thoroughbred mares in order to make room for his horses now in France, which are to be brought to the Nursery Stud. near Lexington. The mares are by St. Simon, Hastings, Rock Sand, Rayon d'Or, Inverness and Singleton, and they are in foal to Trap Rock, Watervale, Fair Play and Hastings.

FLITTERGOLD REDUCES LAUREL RECORD.

Fair Play's Brother Runs Five and a Half Furlongs in 1:06 at Maryland Track.

in 1:06 at Maryland Track.

Baltimore, Md., October 28.—August Belmout, whose colors have been seen in front only infrequently of late, won a race at Laurel Park this afternoon with Flittergold, the three-year-old brother to Fair Pay. Flittergold, the three-year-old brother to Fair Pay. Flittergold beat Housemaid a head and in doing so made a new track record of 1:06 for five and a half furlongs, displacing the mark of 1:06% made by Kewessa a few days ago. Housemaid ran a good race and showed gameness, but she could not concede the weight she was asked to give the Belmont colt.

A series of mishaps occurred in the third race, which Ben Quince won. Before the start, Aviatress and Harry Lauder got the best of their riders and ran away. Steward was able to control Harry Lauder and took him back to the post, but Gordon on Aviatress had more difficulty with his horse. On the way back to the start, Aviatress langed and went over the outside feace, throwing Gordon heavily. The stewards gave the word to start without Aviatress. Then Harry Lauder made another plunge through the barrier and this time got the best of Steward. The horse ran away two miles and the field was sent away without either of the refractory two. The start was a poor one and, Ben Quince, quickest to begin, outran his company to the turn and held them safe all the way. Willie Midgley has arranged to ship the Gifford A. Cochran horses to Belmont Park at the concusion of the Laurel meeting. Mr. Cochran has decided to retire the stallion, His Majesty and the mares, Connenara and Early Rose to the stud and they will be sent about the middle of November. The Cochran colors were quite prominent during the past season, Midgley succeeding in rounding the cripple, His Majesty, into winning form, while Figinny ran a couple of good races during the season. Some of the yearlings in the stable are said to be promising.

The horses in the stables of George Odom and Silas Veitch were shipped to Pimlico this morning. Lewis Garth sent sixteen from Bemning to the Mary

treal.

R. B. Steele added Fenrock and Crossbun to his string, which also includes Beaumont Belle and Gerrard. He purchased the first two this afternoon from Angust Belmont. They will be raced at Charlesten and Havana.

Borgo, whmer of the fifth race, was bid up from \$700 to \$1,400 by Sam Louis, but was protected. Mind Sill, winner of the last race, was boosted to \$1,000 and sold to P. J. Miles, whose horse Be was second.

PIMLICO TRACK IN FINE SHAPE.

Baltimore, Md., October 28.—The Pimlico track is now in perfect condition for the fall meeting beginning next Monday and continuing until November 12. During the past summer many cartleads of sand were dumped on it, and the harrows have been at work, with the result that Superintendent Brennan thinks it fast enough for miles in 1:38 or better.

It is recalled that when August Belmont's great coit, Watervale, won a sensational race at Pimlico a couple of seasons back he was timed by several reliable watches in 1:33% for the mile, some even recording a fraction less than this. The difficulty experienced in breaking records over this course is that the meetings are held so early in the spring that the horses are not at their best, and in the late fall the long campaigns are beginning to tell on the racers, and the weather is apt to be too cool and wet. But as far as the track itself is concerned. Iew better or safer ones can be found in the country.

The horses that S. C. Hildreth will bring to Pimlico for August Belmont are ten in number, consisting of Rock View, Stromboli, Flittergold, Defendum, Thornhill, Top Hat, Mission, Flitaway, Crossbun and Fenrock. Of these, Stromboli, Flittergold and Thornhill are nominated for the rich Bowie stakes, and it is believed that if the track suits him that Stromboli will "take a lot of beating." Mission and Top Hat have been schooled over the jumps. They started their jumping careers at Pimlico last spring, and it is hoped they will wind up the season there with success.

TIMELY GOSSIP FROM KENTUCKY.

Cincianati, O., October 28.—Col. Milton Young, former cliairman of the Kentucky State Racing Commission and one of the original members of this turf governing-body, who has been at Latoola for several days, on departing for his home, announced that he would return here from Lexington for the running of the Latonia Cup, two miles and a quarter, on Saturday, November 7. Col. Young, who is one of the most widely known of American breeders, has always been an advocate of long distance racing and an event like the Latonia Cup strongly appeals to him. He stated that he expected to bring some guests with him to see the big race and Manager John Hachmeister will see to it that Col. Young and his party from central Kentucky are properly entertained.

Several of the Louisville delegation which were here last Saturday will not only be on hand again at Latonia on the day of the cup race, but will be here next Saturday for the Autumn Stakes and the other interesting events which Secretary E. W. Maginn has carded for that afternoon. Thece has never been a meeting at Latonia that has been patronized by so many prominent people from Kentucky as the present autumn meeting at this course.

among my friends after two years spent in Europe—during which time I attended race meetings in France. Germany and England. Many of my old clients who have wondered what had become of me, will be happy no doubt to see this advertisement—and to know that I have renewed the same exclusive connections I maintained before leaving this country. Since arriving here I have exerted myself to get SOMETHING exceptional to celebrate my return—to inaugurate my coming racing campaign. While a great many players do not know me, the old ones will realize what I mean whea I say that, without a doubt—I have been able to locate one of the sweetest propositions I have ever been interested in on

at Latonia. One of the shrewdest racing stables in the country will be concerned in this "killing" I have reference to. Now, I don't want you to confuse this with every day racing information. I have been known to handle only exclusive racing deals—and I will prove again not only what I know, but also the exclusiveness of this secret information which would be beyond the small player were he desirons of purchasing the same. I have made every effort in locating the right spot for the right day and when you follow me on Saturday, you will know that you are following the biggest money in the country. While I do not make a practice of guaranteeing the price of any horse on account of not making the prices, in this instance, to celebrate my return to America, I guarantee that unless Saturday's horse

wins at 4 to 1,

I will include you free of charge on the next stable information I send out. Now, remember, I am not shooting at the moon. I don't intend to try to get 50 to I shots, but the live stable deals that win at good prices, which gives you a chance to win mere often.

MY TERMS: TWO DOLLARS.

I have decided on this small fee for my first "killing," so as to get acquainted with new clients. I want to show you what I can do before asking my regular fees. After Saturday you will understand. Your remittance must be here by Saturday noon—by mail or telegraph. So attend to this at once. Bon't wait until the last minute, or feel sorry after it's all over.
